

Amendments to the Specification

Please replace the paragraph at page 2, lines 7-10 with the following amended paragraph:

Disposed outside the exciting coil 25 is an annular magnet 26 having a cutout ~~24a~~26a provided to oppose the cutout 24b. A thin circular plate-shaped diaphragm 27 of a stainless material or the like is fixed on an upper surface of the base cover 22.

Please replace the Abstract with the replacement abstract provided herewith on a separate sheet.
